

TOWARDS CYMRAEG 2050

FLUENCY

Fluent learners will be able to operate confidently bilingually in their fields and receive a significant element of their education through the medium of Welsh.

CONFIDENCE

Learners should be supported to use their Welsh to communicate confidently professionally.

UNDERSTANDING

It would be beneficial for all learners to have an understanding of the Welsh language to be able to provide a bilingual service using simple phrases.

AWARENESS

All learners should have an awareness of the Welsh language and its importance in their field.
