RHUGLDER FLUENCY

Bydd dysgwyr rhugl yn gallu gweithredu'n hyderus ddwyieithog yn eu meysydd gan dderbyn elfen sylweddol o'u haddysg drwy gyfrwng y Gymraeg.

Fluent learners will be able to operate confidently bilingually in their fields and receive a significant element of their education through the medium of Welsh.

HYDER CONFIDENCE

Dylid cefnogi dysgwyr i ddefnyddio'u Cymraeg i gyfathrebu'n hyderus yn broffesiynol.

Learners should be supported to use their Welsh to communicate confidently professionally.

DEALLTWRIAETH UNDERSTANDING

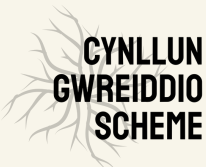

Byddai'n fuddiol i bob dysgwr feddu dealltwriaeth o'r Gymraeg i allu darparu gwasanaeth dwyieithog gan ddefnyddio ymadroddion syml.

It would be beneficial for all learners to have an understanding of the Welsh language to be able to provide a bilingual service using simple phrases.

YMWYBYDDIAETH AWARENESS

Dylai fod gan bob dysgwr ymwybyddiaeth o'r iaith Gymraeg a'i phwysigrwydd yn eu maes.

All learners should have an awareness of the Welsh language and its importance in their field.
