

The Coleg Strategic Developments Fund: small grants scheme

Date: 24 September 2014

Reference: 14/03

To: Heads of Welsh higher education institutions, Coleg Cymraeg Cenedlaethol Advisory Group, institutional Welsh medium provision co-ordinators and Branch Officers.

Respond by: 14 November 2014

Contact: Rhian Davies

E-mail: Rh.Davies@colegcymraeg.ac.uk

This circular invites applications for small grants to be allocated from the Coleg's Strategic Developments Fund.

This document is available on the Coleg Cymraeg Cenedlaethol website

Small Grants Circular

Background

1. This circular outlines the arrangements for submitting applications for small grants from the Coleg Cymraeg Cenedlaethol's Strategic Developments Fund.
2. The Coleg Cymraeg Cenedlaethol [the Coleg] has a Strategic Developments Fund [the Fund] for large scale projects; decisions on awards from the Fund are made at least once a year.
3. A proportion of the Fund has been earmarked for small grants to fund or support small scale projects of no more than 1 year's duration, and will need no more than £2,500 as a contribution by the Coleg Cymraeg Cenedlaethol.
4. The aim of the Small Grants Fund is to support innovative initiatives, including individual projects, which will extend and/or enrich Welsh medium higher education provision, or contribute in some other way towards meeting the objectives of the Coleg's Academic Plan. We encourage applications for projects that will lead to the production of educational resources or publications. Applications can also be submitted for funding to support an academic related activity or event.
5. The Coleg is keen to invite applications for funding to support a variety of activities and developments, but those submitting applications are asked not to include the following within applications:
 - Applications for funding to release lecturer time to undertake research when those lecturers are already employed on teaching and research contracts in institutions;
 - Applications for funding to develop resources in order to support the language skills and/or study skills of students.
 - Applications for funding to support events or developments that have already happened;

- Applications from individuals that are not members of the Coleg (in line with the Circular's conditions);
- Applications involving activities already funded by the Coleg (e.g. work by Coleg-funded lecturers or work undertaken under one of the Coleg's national projects);
- Applications involving the marketing activities of individual universities only;
- Applications in relation to teacher training until national development plans are agreed upon;
- Applications by individuals who have already received a small grant for work not yet completed.

Applications

6. Applications are invited for small grants from members of the Coleg (staff membership) in the form identified in Appendix A.
7. Every institution may submit up to ten applications, but no more than one application may be submitted by any one individual within a round of applications.
8. Each application must be signed on the institution's behalf by an authorised representative, ensuring that institutional processes were followed.
9. Decisions on awards from this round of applications will be published by circular.
10. Applications should be submitted by **midday 14 November, 2014**. Applications submitted after this date will not be accepted, and applications cannot be changed or amended after this date.

Monitoring and reporting requirements

11. Any resources developed following receipt of funding through the Small Grants Fund shall only be placed on the Porth, the Coleg's Digital Library and/or the Coleg's iTunesU site (unless the grant application specifies otherwise).
12. A short report will need to be submitted outlining the project's outputs, as well as a full financial specification approved by the University's finance office, following the project's completion. The Coleg will ask for these reports as part of the six-monthly monitoring process on the progress of all projects funded in the institutions through the Strategic Developments Fund.
13. The maximum length of any project shall be 12 months, and any funding not spent within that period must be returned.

Further enquiries

14. Any further enquiries about small grants should be sent by e-mail to Rhian Davies rh.davies@colegcymraeg.ac.uk in the first instance.

APPENDIX A

Project y Title:

Project Manager (name, e-mail, telephone number)	
Institution:
